ANTIQUÉ HANDGUNS

1. **Colt SA .45 LC**, Barrel cut to 4 5/8”. Gun has been re-blued. Has ivory micarta grips. Looks good. Markings on left side of barrel mostly gone except “COLT.” Top markings clear and correct. Original grips have Indian Head cut by creative owner. Mfg 1903. S#240617
2. **Colt Bisley SA**, .38 Special, 5 ½” bbl with S&W style target sights. Factory letter starts gun off as 32020. Properly re-barreled

with Colt barrel and cylinder. Both properly marked. Mfg 1910. S #313 575. 85% blue.

3. **Colt Bisley SA**, .45 LC, 4 ¾” bbl, nickel finish, stag grips. All markings clear but probably re-nickeled. Gun came from the Federales in Durango, Mexico in 1963. Mfg 1899. S #189508. No factory letter available.
4. **Colt Lightning (Thunderer) DA**, .41, 4 ½” bbl, Good working condition, some blue, clear and proper markings. Made 1901, S # 129876.
5. **Remington SA, Model 1875**, .44 Rem., Barrel cut to 4 ¾” with dove tailed front sight. Mfg. between 1875 and 1889. No records available. Working condition, fair. S #144.
6. **Smith & Wesson** (top break), New Model #3. Single action. .44 Russian, 5: bbl. Mfg 1886 with factory letter. S# 23989. Gun is original and in good working condition, but finish is rough with some pitting on one side.
7. **Smith & Wesson** late model 1 ½, 2nd Issue - .32 rf, 3 ½ bbl swings up from bottom. S # 80895 Made about 1871. Post trigger. Gun is working, needs side-plate screw, no finish, light pits, good grips, two line copy on top of barrel clear and correct.
8. **Smith & Wesson**, .32 Double Action, 4th Model - .32 S & W center fire, 3 ½ “ bbl, nickel finish, S # 159948, 90%, chip on right grip at butt. Made about 1885.
9. **Hopkins & Allen**, “Dictator,” Post trigger, nickel, .32 rf., 2 ¾” bbl (Derringer). S # 7338. Nice, clean gun.
10. **Remington II**, .41rf Derringer – nickel with checkered rubber grips. Type II made in 1890, S # 438, nicely marked, good.
11. **Remington III**, .41 rf. Derringer – No finish, all original, tight action, Type III, mfg after 1910, S # L99738.
12. **Iver Johnson**, .32 breaktop. 3” bbl., nickel finish, missing front sight. Works, but timing is off. Nice decorator, S # 43536
13. 6 Shot Ring Trigger Pepperbox (**DECORATOR**). Mfg. **Blunt & Syms**, N.Y.C., 3” bbl., approx. .36, exposed nipples, brown patina finish with light engraving. Company in business 1837-1867.
14. **6 Shot Top Hammer Pepperbox,(DECORATOR)**, covered nipples, w/ 3 ½” bbls. In approx. .36 cal. Marked “Allens Patent 1,” S # 295. Chip in left grip, brown patina, lightly engraved.
15. **Allen & Wheelock** Single Shot Percussion (**DECORATOR**). 5” bbl., approx. .38 cal., Box lock hammer. Mfg. between 1840-

1870. Barrel is rear ½ octagonal & front is ½ round. Brown patina with wood grips. Complete but not working.

ANTIQUÉ RIFLES

- 16. Winchester 73 Carbine** – .44-.40 wcf. Considered the 2nd. Model and made in 1881. I acquired the gun in Durango, Mexico in 1963. It was painted totally black. S # 84685. Gun has no metal finish, refinished stock, original unusual rear site, barrel properly marked and it's a good shooter.
